

CONFERENCE GUIDE

Location

Home to the Farnham family for over 400 years, the magnificent 1,300 acre Farnham Estate is located 3km from Cavan and within a two hour drive from Dublin and Belfast. In this beautiful undiscovered part of rural Ireland, the Radisson Blu Farnham Estate Hotel opened its doors in mid 2006. Guests may come to Farnham to experience the amazing Health Spa, they may arrive in search of fine cuisine and stunning wines or some of the most luxurious suites in Ireland, but whatever they seek at Farnham Estate, they will leave having rediscovered a sense of peace and harmony.

Rooms

There are 158 rooms to choose from in all, many of which offer wonderful open views over Farnham Estate. The 12 suites are some of the finest hotel rooms yet seen in Ireland. Attention to detail is absolute. Every detail has been carefully chosen to create a sense of total well-being.

Dining

Residents and guests can enjoy dining in the Botanica Restaurant, where the design is contemporary and the food a simple, creative cuisine, based on the finest Irish produce. Located within the kitchen is the charismatic 'Potting Shed', a private dining room which can accommodate up to 12 diners. Enjoy drinks and refreshments in the underground Wine Goose Cellar Bar or in one of the 3 beautiful drawing rooms in Farnham House.

Leisure & Relaxation

Farnham Estate is special. However it is in the Health Spa that you really begin to understand the estate's philosophy of balance and well-being. With 19 treatment rooms, thermal suite, gymnasium, relaxation rooms, indoor-outdoor hydrotherapy infinity pool and it's own Pear Tree Restaurant, the Health Spa will take mind & body into new realms of relaxation.

For those who enjoy the great outdoors, the estate offers 7km of beautiful walking trails and fishing on Farnham Lake. A magnificent Jeff Howes designed parkland golf course opened in 2008. The front nine presents a gentle but challenging journey over the undulating meadows of this magnificent estate, while the back nine is a more vigorous challenge, travelling through denser more rugged woodland. This is a truly wonderful test of golf.

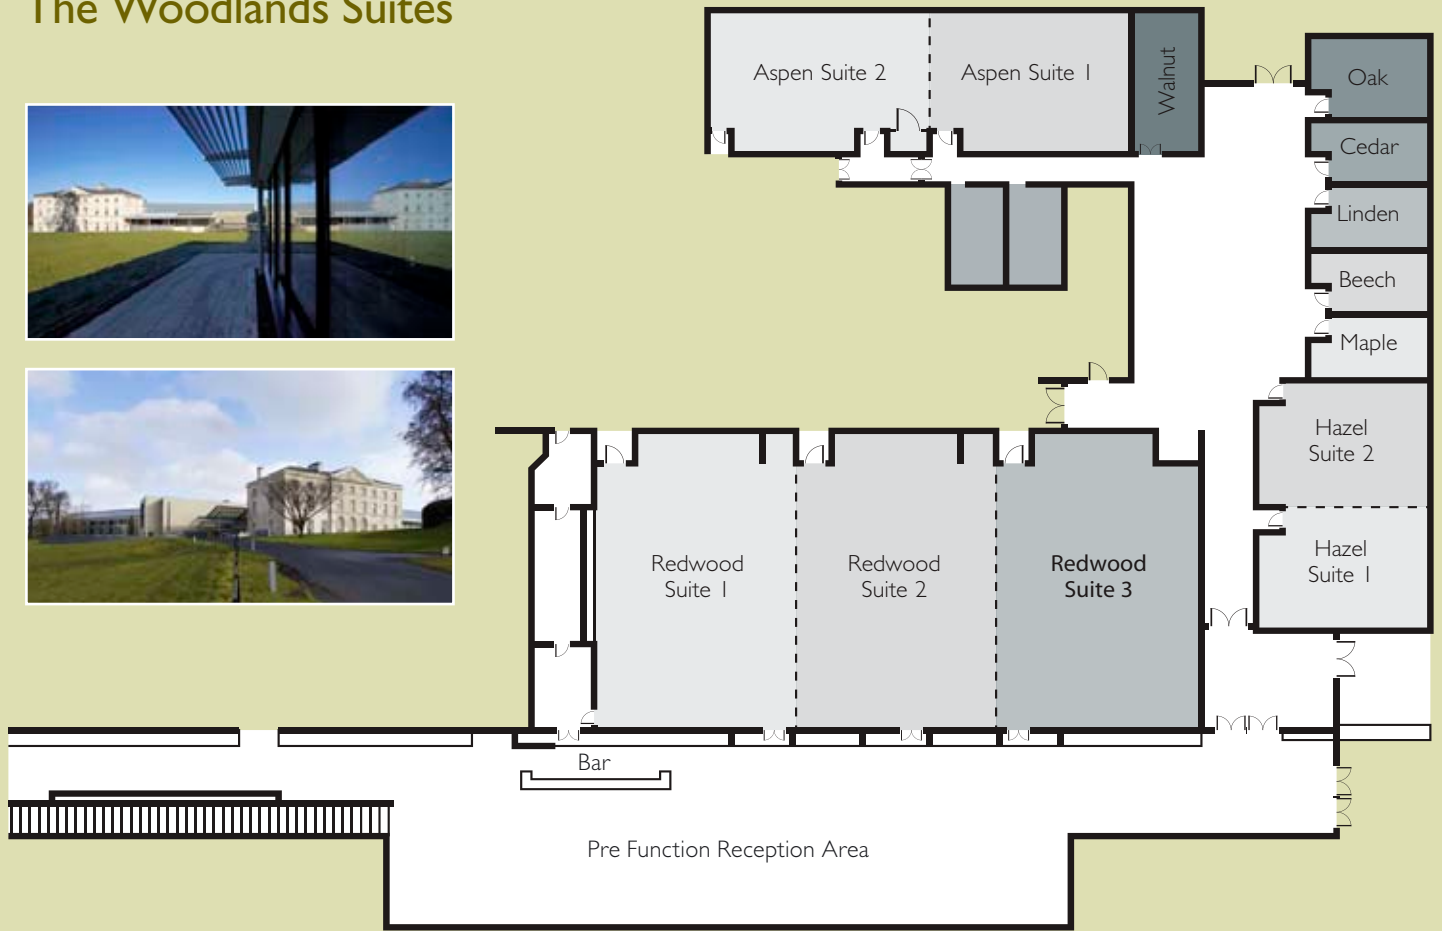

Meetings & Events

Farnham Estate may be situated amid some of the most stunning scenery in Ireland but it is also one of the country's most advanced venues for meetings, seminars and exhibitions. With up to 620m2 of meeting space in the conference centre, the hotel offers the Redwood Suite and ten daylight meeting rooms, catering for 2 - 380 delegates. To complement our meeting facilities a whole host of team building games can be organised on the grounds of the estate.
